

Mini-Butts Personal Ashtrays are the hottest promotional product around because not only are they a talking point and promote the company advertised on them, they also make a stunning display of environmentally responsible trading by giving smokers the ability to always "do the right thing" with their cigarette butts. Logo printed Mini-Butts will be seen, used and appreciated long after your customers have left your location!

Mini-Butts Personal Ashtrays

- Kick butts with our stylish, slightly off-beat personal portable Mini-Butts Ashtrays!
- Made from melt-proof & heat-resistant ABS plastic so smokers can safely stub their butts out in the lid
- Recyclable, Re-washable, Reusable
- Comes in a wide range of fab colours
- Stronger, smarter, cheaper (and cuter) than other products
- Holds over 13 butts. Easy to empty - butts don't jam
- Fits easily in pocket, hand or bag
- Clip it on belt, bag, pocket or pack of cigarettes
- No need to ever drop a butt again - the environment loves you
- Snap-Lock lid ensures butts don't fall foul

Our Clients include Personal Smokers, Clubs, Universities & TAFES, Golf Clubs, Property Managers, Mining Companies, Hotels, Motels & Resorts, Restaurants, Cafes, Boat Owners & Sailing Clubs, Sports Stadiums, Venues, Festivals & Events, Offices, Factories and over 15,000 environmentally responsible organisations around the world. **The problem may be prolific... The solution is simple...** To discuss your specific requirements or for more info, call, click or email us at info@nobutts.com.au

Fact:
Over 32 Billion butts are thrown away each year in Australia.

Fact:
Over 97% of Cigarettes are now smoked outside.

Fact:
Cigarette butts are not paper & cotton. They are Cellulose Acetate ie Plastic and contain over 3000 poisonous compounds.

Fact:
Cigarette Butts take from 4-15 years to break down. (EPA Vic.)

'Passing the Butt'...

Don't be a "Tasser" - Always use a No Butts Mini-Butts Personal Ashtray!!
